Biography: From the young age of three, Nevaeh started her hobbies in the “Arts” industry, where she first took up ballet dancing in 2013. Two years later, Nevaeh debuted in an advert for hearing aids by Zenco Productions and also joined Scripted Drama where she placed 1st and 2nd in a Drama Tournament Grand Final. In 2016, Nevaeh played three different roles in a theatre production of Peter Pan, then soon after moved abroad to Dublin, Ireland, where she discovered her love, interest and talent in singing. She joined Cecilian Theatre Arts in Dublin, and a week later she was chosen to sing a solo part in a music video. At the beginning of 2017, Nevaeh sang for her first time, in a music studio, where she recorded parts of “Somewhere Over the Rainbow” and later filmed a music video for it. She performed “Dream Big with High Hopes” with Cecilian Theatre Arts which was filmed for screen. Nevaeh wanted to continue with her acting so joined the highly regarded Flying Turtle Productions, at the Abbey Theatre in Dublin, which she gave an outstanding performance in the theatre production “Mysterious Daydreams”. At the end of 2017, when Nevaeh was only seven years of age, she joined the successful music school, the Fingal Academy of Music, to learn how to train her voice. She performed at many monthly recitals over the years and with this, her confidence in singing grew. When the Director of the Academy first heard Nevaeh sing, he immediately requested she sing at their very first FAM Winter Gala Night. Having done this, Nevaeh won the hearts of 300 people who were watching her sing, as she sang “Have Yourself a Merry Little Christmas” on stage. Nevaeh continued her monthly recitals and was becoming well-known in the Music Academy. In 2018 she performed yet another solo to “Santa Tell Me” at the FAM Winter Gala 2018 and was encouraged to enter the “DAA Swords Young Musician of the Year” Competition, where, at only 8 years old, placed 3rd overall in Contemporary Voice Junior – Under 15’s category. In 2019 Nevaeh joined Mia Skye Modelling where she gained experience in catwalk at festivals and shopping centres around Dublin. Finally, Nevaeh performed a duet with her sister Keilana on piano, to “Wrecking Ball” at the FAM Summer Gala 2019 event, before moving back to Perth, where she joined the North Coastal Children’s Community Choir. Nevaeh performed solo at the Wanneroo Show in 2019 singing “Girl on Fire” and at the Christmas concert she sang “All I Want for Christmas is You” as well as performed a duet with Keilana to “Happy Xmas (The War is Over)”. In January 2020, Nevaeh continued modelling with Mia Skye Modelling in Perth and has been progressing with her love of catwalk performances throughout the year. In March 2020, Nevaeh got into the Top 10 contestants for “Talent in the Park” at the Hyde Park Fair, and recently participated in a music studio

recording with Bailey Perrie. Nevaeh will be performing at the world-class Optus Stadium for Telethon, singing solo “Rise Up” on the Telethon stage, and in addition, will be performing “You Raise Me Up” at Ocean Keys Shopping Centre in November 2020. Nevaeh had also joined One Big Voice at the beginning of 2020, and will be performing at the RAC Arena in November as well. Having always had a keen ear for music, Nevaeh knows the words to almost every song and has a unique tone with a soprano range. Overall, Nevaeh is a very sweet and talented young lady, and just loves modelling, singing, netball and spending time with her family. She is a keen actor, model and singer and has performed in many live performances in theatre, singing solo and in choirs, in Ireland and Australia.
